RE: Sunnyside Orchards #3, Block 9, Lot 15, AP

Mr. Dahlquist, The Three Mile Fire District is in receipt of your letter dated July 23, 2008 regarding the above referenced subdivision.

We are uncertain as to the meaning of your letter or your intent. You state that the donation "will be adjusted based on the cumulative adjustment of the Consumer Price Index at the time of sale."

This is unclear, what date are you using as the start date of the Consumer Price Index and will the donation ever go below the \$500.00 dollar encumbrance that has been placed on the final plat? This is also unacceptable and was not approved by the Fire District.

It is the policy of the Three Mile Fire District and The Ravalli County Fire Council to accept donations in lieu of a water supply in advance of final plat, NOT upon the sale, lease or rent of lots.

If you choose NOT to put in an approved water supply, then a \$500.00 dollar per lot donation will be accepted by the fire district in advance of final plat approval and filing.

If you have any questions, please don't hesitate to call.

Sincerely,

A handwritten signature in black ink, appearing to read "John Schmiedeke". The signature is fluid and cursive, with a large, sweeping flourish at the end.
